# HOMBURG JUBILEE

## ANNOUNCING THE LIMITED EDITION HOMBURG JUBILEE TRACTOR MOUNTED DRAIN CLEANER

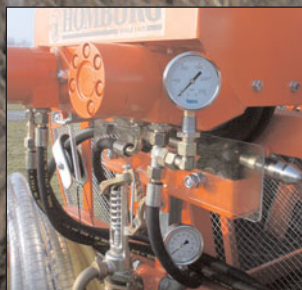

To celebrate their 25 years of innovations in draincleaning technology, Homburg the world market leader in the design of low pressure Drain Cleaners are producing a limited number of JUBILEE models for sale.

The JUBILEE is a compact machine made of high quality components. Batch production made a substantial reduction in cost possible,

Large stock of machines and spares are held to make sure of prompt delivery.

The standard easy to operate and affordable hydraulically operated machine is equipped with:

- Electric remote control
- Traffic lights
- Special pressure gauge
- 300 meter special hose.

# HOMBURG JUBILEE

## Mounting

3-point linkage

## Hydraulic

- hydraulic system 2 hydraulic motors  
valve block with pressure compensated valve and flowregulator and vickers valve
- tractor hydraulics single-acting system with free return line or double acting system
- optimum output 5-7 ltr/min

## Waterpump

- Propulsion 5-cylinder piston-diaphragm pump  
PTO shaft
- Max output 115 ltr/min – 50 bar – 540 rpm
- Working output 70-80 ltr/min – 35 bar – 400 rpm

## Hose

- Cleaning hose 300 mtr HPE-hose Ø 27 mm x 3,5 mm
- Suction hose 10 mtr 1 1/4" hose with steel inlay with filter and float
- Return-flow hose 10 mtr 3/4" hose
- Nozzle 12+1 holes

## Hose propulsion

- speedregulation hydraulic motor / 2 driving-  
and 2 pressure wheels  
stepless
- working speed max 20-30 mtr/min

## Hose withdrawal

elektric / hydraulic remote control

## Hose guiding

manual adjustable lifting guide arm  
with self locking winch manual  
horizontal movement

## Standard equipment

Distance counter  
Traffic lights  
Special pressure gauge

## Weight

- empty approx 385 kg
- filled with water approx 500 kg

## Garantee

1 year

## Options

hose length 350, 400 or 450 meter  
Manhole cleaning set  
Electronic detection sets:  
- Farma set  
- Tecta set
